Guiding Truth: God is Light (v. 5)

- God is completely and utterly _____, _____, and _____. There is no darkness or impurity in Him.

Two Implications:

1. One who knows God _____ in the Light (vv. 6-7)
 - **Reason** - Knowing God is _____, as the Spirit strengthens the Christian to walk in the light and compels them to hate darkness.
2. One who knows God is one of _____ (vv. 8-10)
 - **Reason** - The Light of God _____ and _____, drawing believers to confront their sin in the only effective way, confession.

Application:

- **Receive the Call and Reflect:**
 - Walk in the light, _____ and _____ your sin.
 - Do you hate your sin? Is there sin that you are holding one to, one you are rationalizing?

○ Confess with _____, _____, and _____.

- Is there a sin you are concealing or hiding? Is there a sin you need to confess to someone?
